The UCLA History of Gender and Sexuality working group invites you to this upcoming event co-hosted by the UCI Center for Asian Studies:

A conversation with Annelise Heinz about Mahjong: A Chinese Game and the Making of Modern American Culture

When: Thursday May 27th, 5 PM

Mahjong: A Chinese Game and the Making of Modern American Culture illustrates how the spaces between tiles and the moments between games have fostered distinct social cultures in the United States. This mass-produced game crossed the Pacific, creating waves of popularity over the twentieth century. Annelise Heinz narrates the history of this game to show how it has created a variety of meanings, among them American modernity, Chinese American heritage, and Jewish American women’s culture.
